

ITEMS FOR HOURS INFORMATION

To fulfill community service hours at Providence House, you may use the program described below. The

Items for Hours program was created in response to COVID restrictions. It's a super simple program: you purchase new items from the attached list to match the number of hours needed, schedule a drop-off time, then bring the items and your printed paperwork to Providence House.

This program is widely accepted by courts and schools, but it is important that you have approval for this program from your school program supervisor, parole/probation officer, or DA's office. Providence House is not liable if you complete the program and your hours earned are rejected.

HOW TO FULFILL YOUR COMMUNITY SERVICE HOURS:

1. Fill out the application online: <http://theprovidencehouse.com/volunteer-application/>
2. Review the **Items for Hours List** on page 2 and purchase items needed to complete your hours.
3. Print and complete the **Items for Hours Confirmation** on page 3.
4. Once items are purchased, click [HERE](#) to schedule your drop-off. Should you need a day or time that is not available, contact Cortland Jones at 318-221-7887 or cjones@theprovidencehouse.com.
Your Confirmation must be signed by a Providence House representative.

*****The person needing community service hours *must be present* to receive credit.*****

Contact us with any questions and thank you for supporting Providence House!
